Sports

cheerleading

The West Chester Golden Rams cheerleaders are active throughout three of the four sports seasons. The squad, led by co-captains Christina DeLeo and Tiera Kerr, began preparing for the 2009-2010 season by attending the Universal Cheerleaders Association College Cheerleading Camp where they won many awards. During the school year, the squad was present at all football and basketball games and practiced four times a week. The Golden Rams cheerleaders certainly worked hard by supporting the sports teams and getting WCU fans ready for some exciting sports action.

Football

The Golden Rams football team entered the 2009 season ranked 20th nationally by the American Football Coaches' Association. Their first game, played at Lock Haven, was a shutout with the Rams ahead 43 to 0. The Rams fought through the rest of the season with some close losses and more shutout wins. Overall, the team had a winning season with 7 wins and 4 losses. Ten players were placed on the All-PSAC East squad and senior quarterback Joe Wright was named athlete of the week by the Eastern College Athletic Conference. It was another great year for Golden Rams football.

women's soccer

The West Chester University Women's soccer team was picked to finish first place in the division by the PSAC women's soccer preseason coaches' poll and was ranked 17th nationally. The Rams opened their season with a shutout against Dominican and continued to play a winning season, suffering only one loss. Many players were named Athlete of the Week by PSAC and seven were chosen for the 2009 All-PSAC East squad. The lady Rams won the PSAC Women's Soccer Championship title. Although the team was young this year, they did an amazing job and fans cannot wait to see what the future has in store for this team.

men's soccer

The men's soccer team was picked to finish third in the PSAC Men's Soccer preseason coaches' poll. The team worked hard to achieve that goal but ended the season with a 4-10-2 record. Senior co-captain and midfielder Matt Aunet was honored by the College of Sports Information Directors' Association and senior sweeper Zach Weaver was named to the Daktronics, Inc. All-Region team. Four players were placed on the All-PSAC squad. Clearly the 2009 men's soccer team's record does not show all of the team's talent. The boys did a great job and will be sure to wow WCI fans in the future.

volleyball

The West Chester women's volleyball team was chosen to finish second in the PSAC Women's Volleyball preseason coaches' poll and the team played hard to achieve that goal. The ladies finished with a 24-15 record but lost to Lock Haven in the PSAC quarterfinals. Helen Fitzpatrick, Michelle Powers, Lisa Campbell and Lexi Kegerie were named to the 2009 PSAC All-East volleyball team. The team had a great season and continue to impress fans with their skills.

women's cross country

The West Chester women's cross country team began their season with a win at the Delaware Valley Invitational. They had 70 points, narrowly beating out Franklin and Marshall who had 71. The following weekend the ladies placed second at the Lock Haven Invitational which put them into the Division II Atlantic Regional rankings for the first time since 2004. The team placed tenth at the PSAC Championships and eleventh at the NCAA Division II Atlantic Regional Championships. The girls ran hard while maintaining a combined team GPA of 3.64.

men's CROSS country

The West Chester men's cross country team began their season with a fourth place finish at the Delaware Valley Invitational. They later placed third in the Lock Haven Invitational and were ranked into the Division II Atlantic Regionals for the first time in six years. The team then went on to place eleventh in the Dickinson-Long Short Invitational and twelfth in the Paul Short Run at Lehigh University. The season ended with a twelfth place finish in the PSAC Championship and were recognized for their 3.20 GPA by the U.S. Track & Field and Cross Country Coaches Association.

field hockey

The West Chester University Field Hockey team was optimistic that they could win the playoffs from the beginning of the 2009 season. They crushed St. Francis in their season opener with an 8 to 1 victory. Overall the team had an outstanding season with eight wins and ten losses and had three wins and three losses in the Atlantic 10 Conference, which tied them for fourth place. The girls had a great season and look forward to another exciting year.

rugby

The West Chester women's Rugby team was ranked 21st nationally by the women's Division I college preseason poll by *ERugby News*. The team was excited for the 2009 season after coming out of one of the best seasons in the program's history. Unfortunately the ladies lost their season opener against Penn State but played strong throughout the season to finish 8-5 overall. The team narrowly missed a qualification for the USA Rugby National Tournament. Four players were chosen to play on the Mid-Atlantic Region Football Rugby Union Under-23 All-Star Squad. The girls had an impressive season and have been working hard to achieve their goals for the 2010 season.

gymnastics

The WCI Gymnastics team opened their 2009 season with a win at Rhode Island College. The girls continued on, placing third and fourth place in meets until they scored an impressive 178.825 at the Ursinus Invitational, which was the highest score of their season. The team placed third at the 2009 ECAC Division II Women's Gymnastics Championships and freshman Alli Aquila tied for fifteenth place in the USA Gymnastics Collegiate Nationals.

lacrosse

The West Chester women's Lacrosse team began their 2009 season on a high note. They were the 2008 national champions and chosen to place first again by the Intercollegiate Women's Lacrosse Coaches' Association. The team finished with an overall 19-2 record. Senior Courtney Whiting was named the PSAC East Athlete of the Year and many girls were chosen to play on the IWLCA All-South Region team and on the All-League squad, among other recognitions. The team had a great season and look forward to being successful in 2010.

Women's Basketball

The West Chester women's Basketball team had a great overall record of 19-10 in the 2009-2010 season. They beat Millersville in the PSAC quarterfinals but were defeated in the first round of semifinals against Cal U. The team was recognized for their combined GPA of 3.443 by the Womens' Basketball Coaches Association and many team members were recognized for their talents on the court.

men's basketball

The men's Basketball team played hard during the 2009-2010 season to finish with an overall 16-11 record. They appeared in the National Association of Basketball Coaches weekly poll ranked number 25 and played without a loss for their first nine games. Unfortunately, they suffered losses in the second half of the season, but the team never gave up and always had fun. In January the team hosted a basketball clinic for local elementary school students. The team had a successful season and look forward to more successes in the future.

WOMEN'S SWIMMING & DIVING

The 2009-2010 women's swimming and diving team had a great season with an overall record of 6-1. Many individual swimmers and relay teams qualified for nationals and the team won the PSAC Women's Swimming Championships for the fourth straight year in a row. Jackie Borkowski was named PSAC Women's Swimmer of the Year among other honors.

men's swimming & diving

The 2009 men's swimming and diving team had an overall season record of 3-4. The team went on to the PSAC Championship where they captured first place for the twelfth year in a row. The men then placed ninth in the 2010 NCAA Division II Men's Swimming and Diving Championships. Kenny McCormick was named the PSAC Men's Swimmer of the Year. The WCU men's swimmers are very talented as shown by their great 2009-2010 season.

softball

The West Chester women's softball team was picked to finish third in the PSAC Eastern Division for the 2010 season. The girls played a great season with an overall record of 32-18. The team moved into first place after a win over East Stroudsburg but unfortunately did not take home a PSAC championship. Many team members were honored for their talents and achievements and the team looks forward to another great season.

baseball

The WCU men's baseball team opened their 2010 season with an 8 to 5 win over Lenoir-Rhyne. The team had a successful season finishing with a 39-14 record. The team was invited to play at Citizens Bank Park for the Bill Giles Classic Championship where they defeated the University of the Sciences for the title. At the end of the season, catcher Bob Stumpo was drafted by the Phillies in the 33rd round. The baseball team is full of talented players that continue to please West Chester University.

women's Track & field

The WCU women's track and field team ran through their 2010 indoor season to place ninth at the PSAC Indoor Championship. The team opened their outdoor season with four first place wins and continued to finish strong in division invitational. The runners finished in thirteenth place in the PSAC Outdoor Championship and had six placewinners.

men's Track & field

The WCU men's track and field team placed fifth in the 2010 PSAC Indoor Championship and Leighon Johnson placed eighth in the NCAA Indoor Championships. In their outdoor opener, four runners for the Rams won first place. The team finished their season with a seventh place rank at the 2010 PSAC Outdoor Championship.

women's golf

The women's golf team opened their 2009-2010 season with a seventh place finish at the Clarion Invitational. The team continued to play well during the season and finished with a third place title at the 2010 PSAC Women's Golf Championship. Coach Doug Hendricks was named PSAC Women's Golf Coach of the year after his first season. The team improved greatly from previous years and hope to be even more successful in the future.

men's golf

The WCU men's golf team began their season with a twelfth place finish at the Hal Hanson Invitational. They finished fifth at the 2009 PSAC Men's Golf Championship in Hershey, PA. The team finished their season with a third place rank at the Shepherd Invitational in West Virginia

women's tennis

The Golden Rams women's tennis team opened their 2009-2010 season with a 7-2 win against Bryn Mawr. The girls continued to win and ended up with an overall record of 13-8. Luisi Souto reached the second round of the 2009 PSAC Women's Tennis Individual Championship. The team then qualified for the PSAC Women's Tennis Tournament for the first time in its history. They were unfortunately defeated by Kutztown but still celebrated one of the team's most successful seasons it has ever had.

men's tennis

The West Chester men's tennis team had an impressive 2009-2010 season as shown by their overall 7-10 record. They opened in September with a few losses but turned around with some wins in the 2010 portion of the schedule. The tennis team is proud of their accomplishments and look forward to another great season.

The first of the major developments in the history of the college was the building of the first building in 1837. This was a small wooden structure which served as a dormitory for the students. In 1842, the second building was built, and in 1848, the third building was built. In 1854, the fourth building was built, and in 1860, the fifth building was built. In 1866, the sixth building was built, and in 1872, the seventh building was built. In 1878, the eighth building was built, and in 1884, the ninth building was built. In 1890, the tenth building was built, and in 1896, the eleventh building was built. In 1902, the twelfth building was built, and in 1908, the thirteenth building was built. In 1914, the fourteenth building was built, and in 1920, the fifteenth building was built. In 1926, the sixteenth building was built, and in 1932, the seventeenth building was built. In 1938, the eighteenth building was built, and in 1944, the nineteenth building was built. In 1950, the twentieth building was built, and in 1956, the twenty-first building was built. In 1962, the twenty-second building was built, and in 1968, the twenty-third building was built. In 1974, the twenty-fourth building was built, and in 1980, the twenty-fifth building was built. In 1986, the twenty-sixth building was built, and in 1992, the twenty-seventh building was built. In 1998, the twenty-eighth building was built, and in 2004, the twenty-ninth building was built. In 2010, the thirtieth building was built, and in 2016, the thirty-first building was built. In 2022, the thirty-second building was built.

buildings

Bobby Jones Hall is a beautiful example of the classic architecture of the early 20th century. The building was designed by the architect [Name] and is named after the famous golfer Bobby Jones. It has a long history and has been used for various purposes over the years. Today, it is used as a [purpose].

studying

Although it's common to see students sitting on the grass reading, many are actually just relaxing. Some students prefer to sit on the grass and read, while others prefer to sit on the grass and relax. Some students prefer to sit on the grass and read, while others prefer to sit on the grass and relax. Some students prefer to sit on the grass and read, while others prefer to sit on the grass and relax.

Student Life

freshmen move-in

Freshmen move in is one of the most exciting and stressful times for a new college student. Trying to fit an entire semester's worth of necessities into half of a tiny room, meeting lots of new people for the very first time and leaving your parents to fend for yourself can seem so overwhelming. The first few weeks of freshmen year are memorable for everyone and graduating seniors will wish they could go back to the beginning.

downtown

One of the most appealing aspects of West Chester University is its beautiful downtown. The quaint buildings and brick roads give the town a wonderful vibe. Downtown there is a wide variety of things to do. There are boutiques, shops, restaurants, bars and hair salons. Whether you are shopping for a specific item or just going for a stroll on a nice day, there is something for you. On spring days it is a favorite pastime of West Chester students to go for a walk downtown.

west chester bars

One of the most unique aspects to downtown West Chester is its wide array of bars. The night life in West Chester is unsurpassed by any other college town. Whether you are sampling the amazing variety of beers at Iron Hill, catching the game at Barnaby's or treating yourself to a famous \$5 fishbowl at Docs, there is always something going on. Students celebrating their 21st birthdays have such a selection of bars, making a decision could be hard, which is why West Chester is famous for its "Bar Crawl."

sykes after dark

New to West Chester University for the 2009-2010 school year, Sykes After Dark was a huge success. This program, held every Friday from 9 p.m. to 1 a.m. in Sykes Student Union, offered students an alternative to the party scene. Students were able to see comedy shows, attend dances, play video games, participate in Scrabble tournaments and enjoy food and other games. Sykes After Dark was a great way for students to relax and have fun without having to leave campus.

Events

bid day

After a long weekend of Formal Recruitment, Bid Day was the last and most exciting event. Each of West Chester's eight sororities found out who their new pledges would be and welcomed home their Pi Chi's, sisters who disaffiliated themselves during the recruitment process. Not one person failed to display their pride and love they feel for their sorority. All across the gym were banners displaying Greek letters, colorful balloons and excited women. Every sorority pledge and sister will remember this day for the rest of their lives.

homecoming

The clouds and rain did not stop West Chester University from having one of its best homecomings ever. This day filled with festivities started out with a parade where various organizations performed dance routines, the cheerleaders displayed their talents, the band wowed the spectators and homecoming king and queen contestants cruised down Rosedale Avenue. After the parade was the long awaited football game. It was a "Wild West" day of school spirit and pride - a great way to kick off the 2009-2010 school year.

music department

West Chester University is reknown for its excellent music program. Students from all over the country come to study music and music education at West Chester. Every music student must also complete a senior piece. This is where the spotlight is on them throughout their entire program to display their talents in their specific medium.

West Chester University also has a very talented marching band. The band plays at half-time of all of the football games and in local parades. They do a great job at pepping up the crowd with their beautiful tunes and impressive formations.

theater department

West Chester University's theater department performs a variety of shows every year. For many, the shows are completely student run. Students design the costumes, design and build the set and act and direct in the shows. It is exciting to see hours upon hours of grueling work come together into a fantastic production. There are many talented students at West Chester. Having such a developed theater program gives them a perfect way to channel their talent and get to show it off to faculty, peers and members of the community.

greek week

The end of the year signals that it is time for Greek Week. The greek community is a predominant aspect to student life at WCU. During Greek Week, a sorority and fraternity team up to compete with other teams in various competitions. This year the greeks participated in events such as a talent show, outdoor games and canned food sculptures. Once again it was a huge success and a great place for the greeks to compete and show their pride

10 REASONS TO READ

THE BOOKS ARE ALWAYS BETTER THAN THE MOVIES

Fueled by the movie adaptations, the books of the *Twilight* series maintain their popularity and commercial success amongst teens and adults alike. It seems everyone has a weakness for vampire romance.

- *Twilight* by Stephenie Meyer
- *Burned* (House of Night series #7) by P.C. Cast
- *Fallen* by Lauren Kate
- *Shiver* by Maggie Stiefvater
- *Catching Fire* (Hunger Games series #2) by Suzanne Collins
- *Pride and Prejudice and Zombies* by Jane Austen
- *The Ask and the Answer* by Patrick Ness
- *Along for the Ride* by Sarah Dessen
- *The Maze Runner* by James Dashner
- *Leviathan* by Scott Westerfeld

ENDER'S GAME MEETS LORD OF THE FLIES

Isolated from society and forced to live in a complicated labyrinth, life on the Glade is never easy - boys live, eat, and sleep all to solve the mystery of the gigantic maze around them. James Dashner's *The Maze Runner* is a Sci-fi fantasy that will adapt easily to the big screen. Hint, hint, Hollywood.
